YOU TRAVEL-OR WILL

If not today, then tomorrow. There is quality in railway travel as in everything else. Track, trains and time are the essentials. The M. K. & T. R. has that quality. I want you to know it. Try it and be convinced. At this time of the year you are probably thinking about a winter trip. I suggest the Gulf Coast of Texas, San Antonio, Old Mexico or California, as being about as nearly perfect as climate and environment can make them. I have some very attractive literature about these resorts that I'd like to send you. May I? I'd rather talk to you, but if this is impossible, drop me a line and I'll be pleased to give you all the desired information. There are some special inducements too in the way of rates and through Katy Sleepers that I'd like you to know about. Write today.

No More Stomach Troubles
All stomach trouble is removed by the use of Kodol Dyspepsia Cure. It gives the stomach perfect rest by digesting what you eat without the stomach's aid. The food builds up the body, the rest restores the stomach to health. You don't have to diet yourself when taking Kodol Dyspepsia Cure. J. D. Enskine, of Allenville, Mich., says: "I suffer heartburn and stomach trouble for some time. My sister-in-law has had the same trouble and was not able to eat for six weeks. She lived entirely on warm water. After taking two bottles of Kodol Dyspepsia Cure she was entirely cured. She now eats heartily and is in good health. I am glad to say Kodol gave me instant relief." At People's drug store.
The congregation at the Presbyterian church is pleased with its new pastor, Rev. G. W. Snodgrass, who recently took charge of the work here. Mr. Snodgrass is preaching acceptably to good congregations.

Colds. Their Proper Treatment and Cure.
Commonly, the first symptom of a cold is a chilly feeling, accompanied by sneezing, or a tickling in the throat. The most frequent of external causes are draughts, wet or cold feet, or going from hot rooms suddenly into cold ones. More frequently there is an inner cause—namely the stagnation of the blood caused by constipation or biliousness. Almost the first symptom is the feeling of cold in the feet and increased discharge from the nose.
No one ever takes cold unless constipated, or exhausted, and having what we call malnutrition, which is attended with impoverished blood and exhaustion of nerve force. Tonics consisting of large portions of alcohol, iron or cod liver oil do not bring the desired changes in the blood, because they do not enter the system and are not absorbed into the blood, with the exception of the alcohol, which shrivels up the red blood corpuscles when it does come in contact with them. We recommend the botanical extract of Dr. Pierce's because it contains no alcohol, and offers a reasonable and scientific method of treating the blood, by improving the nutritive functions of the patient. The Golden Medical Discovery accomplishes this, by first restoring the enfeebled digestive organs, so that food, the natural tissue builder, will be digested and assimilated.
Accept no substitute for Dr. Pierce's Golden Medical Discovery. There is nothing "just as good" for diseases of the stomach.
